23. The federal minimum wage is currently \$7.25 an hour. Supporters of raising the minimum wage say doing so will help the working poor, that businesses can afford it, that wages haven't been keeping up with inflation, and that it addresses income inequality. Opponents of raising the minimum wage say doing so will lead to job losses as businesses hire fewer people or cut back back hours, that it will increase the cost of goods and services for everyone, that few people are actually paid the minimum wage, and that those who are usually move on to better paying jobs quickly. Do you strongly support, somewhat support, somewhat oppose, or strongly oppose raising the minimum wage?
