Margin of Error: +/- 5% with a 95% level of confidence
Some percentages may add up to more or less than 100 due to rounding

SCREENS:

To be included in this survey as a "likely voter," all respondents had to affirm that they are 18 or older and then they had to get past three screening questions:

1. "When general elections are held in the United States, how often do you vote?"
   Accepted answers: "all of the time," "most of the time," and "about half the time"
   Voters who responded "occasionally," "rarely or never" were screened out.

2. "Do you know where you and your neighbors go to vote?"
   Accepted answer: "yes"
   Voters who responded "no" or that they were not sure were screened out.

3. "Are you planning to vote in the November 2014 congressional election?"
   Accepted answer: "yes"
   Voters who responded "no" or were not sure were screened out.
