

Florida Survey of 400 Likely Voters Conducted February 9-11, 2014
 By the Saint Leo University Polling Institute
 Margin of Error: +/- 5% with a 95% level of confidence
 Some percentages may add up to more or less than 100 due to rounding

SCREENS:

To be included in the survey as a “likely voter,” all respondents had to affirm twice that they are 18 or older and then they had to get past three screening questions:

1. “When general elections are held in the United States, how often do you vote?”
 Accepted answers: “all of the time” and “most of the time”
 Voters who responded “about half the time,” “occasionally,” “rarely or never” were screened out.

2. “Do you know where you and your neighbors go to vote?”
 Accepted answer: “yes”
 Voters who responded “no” or that they were not sure were screened out.

3. “Are you planning to vote in the March 2014 special congressional election to fill the seat previously held by the late Bill Young?”
 Accepted answer: “yes”
 Voters who responded “no” or were not sure were screened out.
